A self-motivated, consistent and empathetic leader with 10 years experience in Logistics and Supply Chain Management. I am known for being reliable, transparent and resilient with a strong sense of professional ethics. A firm believer of the saying, 'A DAY WITHOUT LEARNING IS A DAY WASTED', I aspire to work in constructive environments with growth and team-building as the core work culture to ensure quality driven output.

LOGISTIC AND SUPPLY CHAIN

- Improved Inventory Management of 10,000+ items using ABC and VED Analysis and reorganised obsolete inventory by 40%. Hence, reducing indenting by 60% and cost to the organisation by 25%.
- Ensured availability of 90 per V-E and HADR items for 100+ stakeholders of Eastern Naval Command by Forecasting, indenting and Supply within three review cycles.
