in https://www.linkedin.com/in/suman-choudhary-272643247

Result-oriented, self-driven and dynamic Indian Air Force officer with 14 years of specialist work experience in various operational and leadership roles. Proven record of managing communication networks, implementation of new IT infrastructure projects, optimum resource utilisation, vendor management, and operational risk management for strategic projects. A critical thinker with an innate ability to adapt to any domain and deliver outstanding results. Aspiring to use core military values in the corporate world.

NETWORK ADMINISTRATOR

- Supervised, monitored, and managed a wide variety of Network systems that include communication circuits and LAN/WAN systems by liaison & coordinating with various public & private sector vendor partners.
- Ensured compliance with IT security policies by conducting Cyber security / Information warfare audits to keep a check on IT security breaches in IAF.
- Managed end-to-end operations for financial budgeting and inventory management of all kinds of networking and IT devices. Lead the IT-related procurement & supply chain management of IT and communication infrastructure at multiple IAF bases.
- Deployed strategies, standard operating procedures (SOPs), functional policies and control mechanisms to improve efficiency, thus decreasing downtime and achieving cost-effective operations.

TECHNICAL PROJECT MANAGER

- Effectively coordinated and ensured vendor compliance for IAF's dedicated 3G cellular communication project (Pilot project) by collaborating with M/s Alcatel Lucent and M/s HCL.
- Planning, execution and commissioning of Tri-Services Fibre communication project i.e. Network for Spectrum and Defence Communication Network by collaborating with BSNL and L&T connecting almost 160 IAF bases.
- Coordinated implementation of an e-maintenance solution for computer aided maintenance management (e-MMS) for IAF's operations equipment.
- Effectively implemented and ensured compliance for paperless E-Office pan IAF project by migrating and converting all hard - files into cloud computing

PEOPLE MANAGER

- As Commanding Officer at two forward bases in North Eastern region, responsible for the administration of more than 150 personnel. Managed teams from varied cultural backgrounds and skill sets, evaluated their performance, ensured rewards and recognitions, motivated and trained the teams as necessary amidst operational requirements with due diligence to welfare
