A result oriented Naval aviator having 18+ years' experience with core expertise in Defence/ Government Procurement Policies and Projects. Possessing a proven track record of successful Conceptualising, Conclusion and Management of Defence Aerospace contract In close co-ordination with Ministry of Defence. Strategise defence acquisition policy roadmap for Naval aviation and successfully concluded/ progressing Capital Aviation contracts (Aircraft and UAVs) with leading aerospace OEMs, DPSUs and DRDO worth 67,000 Cr. Facilitated leading Aerospace OEMs toward indigenous manufacturing/ development through JVs/ Transfer of Technology with Indian Defence entities and DPSUs. Executed Operations from diverse geographies including diplomatic missions in Seychelles. As I am bound for transition, seeking Corporate leadership role in Acquisition, Program Management and Business Development in the Aviation & Aerospace Industry.

AVIATION PROCUREMENT & PROJECT MANAGEMENT

- Strategized acquisition policy roadmap for Naval aviation, aligning objectives with the Ministry of Defence within tenets of Defence procurement policies.
- Steered Cross-functional teams from MoD (Acquisition, Finance), Tri Services officials toward acquisition methodology in progressing aviation contracts worth Rs 67000 crores with leading aviation OEMs, DRDO and DPSUs.
- Spearheaded the Conceptualisation & Acquisition methodology in concluding maiden three Lease contracts (first in SE Asia) for MQ 9B Predator UAV & presently also progressing capital procurement of 31 MQ 9B Predator UAVs from USG.
- Lead Acquisition team in Executing first ever contract for Hermes Starliner UAV & Scheibel S100 Camcopter UAV worth 600 Cr from involving conceptualising to conclusion and same are being aggressively managed.
- As Member of Cost Negotiation Committee of MoD/ MoF, provided breakthrough solutions to concluded Commercial negotiations for MALE UAVs case worth 2 BUSD
- Conceptualized qualitative requirements and Acquisition Methodology for in- progress maiden indigenous C-295 maritime aircraft case in close coordination with indigenous Entity, DRDO and OEM.
- Drive indigenous development of aviation sensors/platforms through Joint Ventures & Transfer of Technology initiatives with Indian Defence entities and DPSUs
- Fostered & maintained strong relationships with Aerospace OEMs, DPSUs and DRDO promoting collaboration and knowledge exchange in the aviation and aerospace sector.
- Oversee planning, execution, risk assessments & mitigation strategies to maintain project timelines for the concluded capital aviation contracts.
- Collaborated with cross functional teams including operations, engineering, quality assurance, and all stake holders to maintain strict project milestones

OPERATIONS & RISK MANAGEMENT

- Ensured 98% serviceability of mission aircraft round the year through forecasting demands and executed Multinational operations involving Friendly Foreign countries.

LEADERSHIP & SUPPLY CHAIN MANAGEMENT

- Ensured combat effectiveness and morale setting for 100 personnel through strategic direction, fostering best management/ safety practices.
- Vendor engagement with leading Defence shipyard toward timely completion of maiden Medium Refit modernization of ship with valuation over 150 Cr

EDUCATION

- BSc, Naval Science (Goa University, Goa) 1997 -2000
- MSc , Telecom (CUSAT, Kochi) 2008 -2009
- MSc, Defence & Strategic Studies (Madras University, Madras) 2015 -2016
- Senior Leadership & Advanced Management Course (AMP-17) , Business & Corporate Strategy (IIM, Bangalore) 2022 -2023
- Global Supply Chain Management & International Trade, Business Management (IIFT, Delhi) 2023

CERTIFICATIONS

- Benchmarking, NIFM, Faridabad
- Financial Decision Making, NIFM, Faridabad
- Acquisition Management, CDM, Secunderabad,
- Contract Management- ICAI, Delhi
- Arbitration, ICAI, Delhi

KEY SKILLS

- Defence Procurement Procedure & Strategy
- Benchmarking and Contract Negotiations
- Stakeholder Engagement & Management (Private entities, DRDO & DPSUs)
- Cross Functional Leadership and Strategy
- Risk Assessment & Mitigation
- Business Development in Aerospace Sector

DIPLOMATIC MISSION

- Diplomatic Engagement with officials of Seychelles Govt and streamlined Air operations doctrine for Seychelles Defence Forces

ABHINAV NAVNEET

Age: 44 Years | Experience: 23 Years

Mobile: 6005981166

- COAS Commendation Card in Operation Rhino, Assam
- COAS Commendation Card in Operation Rakshak, J&K
- 9 Yrs Long Service Medal
- UN Medal in the Democratic Republic of Congo (MONUSCO)
- Videsh Seva Medal (OVERSEAS MEDAL) with Clasp Democratic Republic of Congo (MONUSCO)
- Sainya Seva Medal with clasp J&K

KEY SKILLS

- Global Supply Chain & Logistics Management
- Export Import Management
- Enterprise Security Risk Management
- Public Relations & Strategic Communications
- Human Resource Management
- Media Management • Data Analytics
- Talent Development & Leadership
- Advance Inventory Management & Warehousing

AJAY RANA

Age: 46 Years | Experience: 28 Years

Mobile: 9818708816

Email: a193717@gmail.com

[in https://www.linkedin.com/in/ajay-rana-b3a75a272](https://www.linkedin.com/in/ajay-rana-b3a75a272)

Dynamic and result oriented Indian Naval Officer with 28+ years of rich experience across diverse functions in leadership roles. Experienced in Operations and Projects, Contracts Management, HR Management, Policy formulation and Security. Excellent communication, analytical, technical negotiation skills, mentoring, knowledge transfer, problem solving and inter personal skills with ability to work independently and as an adaptable team player.

OPERATIONS

- Served onboard various frontline Indian Naval Warships (Aircraft Carrier, Destroyer, Anti-Submarine Warfare Ship, Offshore Petrol Vessels and Landing Crafts).
- Successfully facilitated docking and underwater hull preservation of 50+ Indian Naval Ships on Floating Dock Navy-1, Port Blair.
- Headed the Hull department of warships and ensured availability of critical hull equipment necessary for mission accomplishment through planned preventive maintenance and timely repairs.
- Ensured planned procurement of Hull equipment for various warships modernization and Service Life Extension Programme.

MAJOR PROJECTS

- Procurement of specialized boats for various military roles worth 200+ Crores at Directorate of Naval Architecture, Naval Headquarters, Delhi.
- Formulation of roadmap for induction of boats in Indian Navy/ Army including drawing specifications, procurement & contracts, test & trials and life cycle management at Directorate of Naval Architecture, Naval Headquarters, Delhi (2017-till date).
- Instrumental in indigenous submarine projects at Directorate of Naval Design (Submarine Design Group), Delhi.
- Specialized repairs of Floating Dock (M/s Colombo Dockyard, Sri Lanka) and Major Repairs of Warships in Indian DPSUs/ Naval Dockyards.

HR MANAGEMENT

- Successfully recruited 250+ Naval Dockyard Apprentices for various trades, Naval Dockyard, Visakhapatnam.
- Formulation and implementation of 700+ Apprentice's academic and industrial training programme.
- Coordinated commissioning of INS Vishwakarma, a premium Training Institution for Naval Architect Officers at Visakhapatnam.
- Imparted training as faculty to budding officers in Military leadership.

EDUCATION

- B.A, Economics and Pol. Science (Delhi University, Delhi)
- B.Sc, Naval Shipbuilding and Hull Maintenance (Andhra University, Visakhapatnam)

CERTIFICATIONS

- Executive Programme in Global Supply Chain and Logistics Management, IIFT, Delhi
- Center for Leadership and Behavioral Studies, Tri-Services, Delhi
- Contract Management, ICAI, Delhi
- Management Development Programme on Public Procurement, NIFM, Faridabad
- Shipyard Management Course, INS Vishwakarma, Visakhapatnam

ACHIEVEMENTS

- Commander-in-Chief Commendation, HQANC
- Overall first in Merit in Course for Nuclear, Biological, Chemical Defense including Firefighting and Damage Control, INS Shivaji, Lonavala.

KEY SKILLS

- Leadership, Team Building & HR Management
- Contract Management
- Project Management
- Negotiations and Benchmarking
- Strategic Planning
- Operations Management
- Ship Repair & Machinery Maintenance
- Administration & Security
- AutoCAD

AMIT KUMARI

Age: 38 Years | Experience: 14 Years

Mobile: 7995449077

Email:kumariamit13@gmail.com

[in http://www.linkedin.com/in/commander-amit-kumari](http://www.linkedin.com/in/commander-amit-kumari)

Dynamic, result oriented and multifaceted officer from Executive (Logistics) Branch of Indian Navy with 14 years of diverse experience in Military Supply Chain Management, Budget management, HR Management, Post Contact Management, commercial negotiations, administration, training and development. A competent professional with strong work ethics, flexibility, integrity and commitment towards organisational objectives.

PROJECT MANAGEMENT.

- Successfully Implemented the Navy's Integrated Clothing Management System (ICMS) (Oracle Based) by leading a team right from formulating the business process rules, development of the software modules, implementation and training of personnel pan Navy.
- The ICMS manages the entire clothing requirement of approx. 65000 personnel by carrying out a review of demands, procurement and distribution to the personnel as per their entitlements.
- The ICMS has resulted in accurate forecast, efficient inventory management and ensures timely disbursement of items and their online accounting over 51 clothing centres pan Navy.

MATERIEL MANAGEMENT

- More than seven years Procurement expertise (Domestic and foreign) in two biggest central procurement Depots of Indian Navy. Carried out procurement of Engineering spares as well as general Stores for ships, submarines and bases.
- Led my team and ensured all activities from coordination of demands, Drafting RFP, tendering, Evaluating Comparative statement of tenders, price negotiations, placement of orders and Post Contract Management using the Integrated Logistics Management System (ILMS) - the Navy's MIS for stores and depot management (SAP based application).
- The average Revenue Budget handled towards procurement was approx. 250 crores per annum. On an average Quarterly placed approx 200 orders. Well versed with ABC and VED analysis. Had led teams and ensured material stocktaking and preservation (warehousing function) .

AT EASTERN NAVAL COMMAND WAS INSTRUMENTAL IN IMPLEMENTING AND TRAINING WORKSHOPS

- Implementation and conduct of training work shop of the e-ticketing Software (Defence Travel System) at command level in coordination with the Controller General of Defence Accounts & Audits. The module provides a central platform to meet the ticketing (Rail & Air) requirements of the Indian Navy Personnel, dispensing the requirement of booking Rail & Air tickets through the Railways and Air Portal.
- Replaced the manual financial payment with online Payment. All sundry payments made to the personnel are online as against the earlier manual system, using corporate banking features. This facilitated maintaining transactions on e-ledger of a monthly cash assignment of more than 100 Crores
- Pan Navy Vendor Conclave in association with CII, Visakhapatnam chapter was organized with an aim to increase our vendor base, to promote "Make in India". The Conclave was attended by various DPSUs and firms and approx 130 vendors participated.

HUMAN RESOURCE MANAGEMENT

- Led service and civilian personnel and have been responsible for their training, advancements and all service as well as personal requirements including counselling. Efficiently and effectively, carried out performance appraisals of men/women I led. In addition, from time to time hired Data entry operators, trained and developed them towards fulfilling org goals.

EDUCATION

- PGD, Global Supply Chain Management (IIFT , New Delhi)
- PGDILSCM, International Logistics (KJ Somaiya College of Arts and Commerce , University of Mumbai)
- PG, Logistics and SCM (Symbiosis International University, Pune)
- B.COM, Accounts and Economics (HR College, University of Mumbai)

CERTIFICATIONS

- Behaviour studies

ACHIEVEMENTS

- Pan Navy 3rd Position Commodore Not essay-2016

KEY SKILLS

- Supply chain management
- HR management
- Project Management
- General administration
- Training and team management
- Operations Management
- Vendor management
- Microsoft office
- Security management
- Negotiations • Tendering
- Communication • Tableau
- Global Trade management
- Data Analysis • Team management

AMRITPAL SINGH

Age: 32 Years | Experience: 12 Years

Mobile: 9888016856

Email: AMRIT.NITJ@GMAIL.COM

[in https://www.linkedin.com/in/amritiaf](https://www.linkedin.com/in/amritiaf)

A dynamic and result-oriented leader with diverse experience of 12 years in Defense and Manufacturing Industry who focuses on analytical thinking, problem solving and decision-making. Proven expertise in envisioning direction and crafting strategies with an agile mindset. With good academic background from top institutes in India - IIFT and NIT.

OPERATION AND SUPPLY CHAIN MANAGEMENT

- As Operation Manager led the Maintenance activities of an aircraft squadron worth INR 1300 Cr with a diverse team.
- Bring diverse people together to achieve the desired goals. Lead by example and motivate others to perform their best to achieve high serviceability for 300+ vehicles.
- Managed airworthy armament inventory worth over 1 Billion INR, storage and maintenance of airworthy inventory, and the complete gambit of SCM operations for safeguarding national objectives.
- Managed and negotiated multiple stakeholders, like Indian and foreign OEMs, DRDO Labs, DGAQA, RCMA, and PSUs like HAL, BEL, etc.

IT PROJECT MANAGEMENT

- Spearheaded the implementation of the Electronic Maintenance Management System (e-MMS) IT project with a cross-functional team of 170-190 technical professionals.
- Carried out requirement gathering, developed and prioritised the backlog, planned the sprints, took feedback from the customer, to deliver an IT infrastructure project worth INR 2 Cr.
- Worked on IT project (IMMOLS) for transparency of inventory, location of items across over 100 bases, monitoring of the trend of consumption, and planning and calculation of procurement.
- Advocated and led implementation of IT Project E Governance (ERP) where in the centralized database of over 200+ personnel was added and updated for elicit the employee data, skilling and training, performance feedback and payroll management.

KEY ACCOUNT MANAGER B2B (SAINT GOBAIN)

- Developed and implemented strategic account plans that drove growth in account revenue by 5% and increased penetration from 17% to 38%.
- Collaborated with customers and corporate teams (Architects, Builders, Developers, Contractors, Consultants, and Government Agencies) to develop and implement strategies to exceed targets and ensure customer satisfaction.

HRM/ADMINISTRATION/SECURITY

- Implementation of an IT Project (E-Office) for various business functions for having an e-filing system over 130+ bases and achieving an overall efficiency improvement of 30%.
- As security head, ensured continuous training of 1500+ security staff on small arms handling and operation. Planned quarterly practice to enhance skill development.
- Prepared a detailed contingency plan for the strategic IAF base. Validated and improvised the plan by executing live exercises and carrying out mock drills.
- Devised SOPs to safe guard mission critical assets worth 200 Cr, spread across radius of 12km. Achieved incident free and zero tolerance security setup.

EDUCATION

- Masters, HRM (Jamia Millia Islamia, New Delhi) 2018 -2021
- M Tech, Aeronautical Engineering (Visvesvaraya Technological University, Bengaluru) 2014 -2016
- B Tech , Chemical Engineer (Dr B R Ambedkar National Institute of Technology Jalandhar, Jalandhar) 2008 -2012
- Executive Certificate , Global Supply Chain (Indian Institute of Foreign Trade, Delhi) 2023 -2023

CERTIFICATIONS

- Certification on Agile Project Management
- AWS Cloud Practitioner
- Certified on Aviation Flight Safety
- Lean Six Sigma Green Belt
- PMP (Pursuing)

ACHIEVEMENTS

- Awarded commendation by Air Officer Commanding-In-Chief of South Western Air Command of Indian Air Force in 2019.
- Ranked amongst the top 3% of all students appearing for All India Engineering Entrance Examination in 2008.
- Presented Paper at Conference (on "Carbon Credits") Advances in Chemical Engineering, Thapar University, Patiala.
- Training and Placement Representative of NIT Jalandhar (Batch 2008-2012).
- Secured third position in Inter-Technical University Basketball Championship in 2010.

KEY SKILLS

- Strategic Planning
- Process Improvement and Optimization
- Supply Chain Management
- Project Management
- Communication and Stakeholder Management
- Risk Management
- Problem Solving and Decision Making

APARNA AGARWAL

Age: 36 Years | Experience: 14 Years

Mobile: 9057229854

Email: aparna.agr10@gmail.com

[in https://www.linkedin.com/in/aparna-agarwal-iaf/](https://www.linkedin.com/in/aparna-agarwal-iaf/)

Versatile technocrat and high-motivated Military Leader with nearly 14 years of experience in IT Infrastructure Management, IT Governance, Information Security, System Administration and IT Operations, IT Project Management, Vendor Management. I believe in providing solutions to problems using Technology through adept leadership and apt application of sound management practices.

IT & CYBER SECURITY PROJECT MANAGER

- Spearheaded projects to build multi-layered, secure and reliable IT infrastructure for operational deployment of strategic equipment through efficient inventory management.
- Maintained and managed IT & networking equipment, supplies, and services ensuring there optimal serviceability for mission readiness as well as user satisfaction.
- Expertise in on-site monitoring, conducting of root cause analysis of failures and streamlining operation to minimize downtime in communication system.
- Ensured robust cyber security posture in providing internet services in stipulated timelines by effective UTM configuration thereby achieving 'zero' violations.
- Conducted numerous cyber awareness campaigns to identify and mitigate IT-related risks, and to ensure zero-violation cyber policy of IAF.
- Handled IT Budget and inventory of around 15 crores . Developed and implemented IT inventory control procedures, resulting in a 20% reduction in inventory losses.
- Conducted Comprehensive IT Audits thorough assessments of IT controls, processes, and systems to identify potential risks, vulnerabilities, and areas for improvement.

HEAD OF UNIT -OPERATIONS & PEOPLE MANAGEMENT

- As a Commanding Officer, I developed and implemented HR strategies, policies, and practices that align with Organization objectives, to promote a positive and productive workplace culture
- Introduced agile to cross-functional teams of 100+ technical professionals, identified bottle necks, improvement opportunities, resolved issues and sequenced activities to meet 100% deadlines and achieve project goals.
- Led more than 100 air warrior on various missions, ensuring their safety and well-being in high-pressure situations.
- Unit was adjudged as the best Communication & IT Unit for the year 2018 in Central Air Command.
- Recognized for training and mentoring junior administrators, instilling a culture of excellence and continuous learning within the network team.

NETWORK ADMINISTRATOR/NETWORK OPERATIONS MANAGER

- Orchestrated and administered as PMG in collaboration with external stakeholders to build an exclusive communication network.
- Collaborated with external stakeholders to ensure multiple stages of redundancy in communication systems.
- As part of PICG(Project Implementation Core Group) for Network For Spectrum (NFS) project, worked closely with engineering, logistics, operations and executive team to ensure timely implementation of project.
- Adept at troubleshooting complex network issues, employing decisive Scrum strategies to restore connectivity and minimize downtime during critical operations in VUCA situations.

EDUCATION

- Certificate Course, Global Supply Chain & Logistics Management (Indian Institute of Foreign Trade - Knowledge Centre, New Delhi) 2023 -2023
- MBA , Business Management (Narsee Monjee Institute of Management Studies, Mumbai) 2021 -2023
- PGD , Aeronautical Engineering (Visvesvaraya Technological University, Belgaum) 2010 -2011
- BE , Computer Science (Baldev Ram Mirdha Institute of Technology, Jaipur) 2005 -2009

CERTIFICATIONS

- Lean Six Sigma Course (green belt)
- Basic Information Warfare course
- Workshop for Leadership and Behavioral Sciences
- Composite Communication & Computer Networking Course
- Appraisal Report workshop
- Audit capsule course for IT Audit and Compliance.
- Programming Languages-Python, Java, Asp.net, C, C++
- Agile Project Management

ACHIEVEMENTS

- Commendation by Air Officer Commander-In-Chief.
- First in the order of merit in the Professional Knowledge Course
- My unit (I am being Commanding Officer) was adjudged as the "Best Communication & IT Unit -2018" in Central Air Command.

KEY SKILLS

- Leadership & Team Building
- Cyber Security
- Risk Management & Contingency Handling
- Project Management
- Strategic planning and operational skills
- Problem Solving and Resource Management
- Policy Compliance, Governance and Auditing

ASHOK SINGH CHAUHAN

Age: 44 Years | Experience: 22 Years

Mobile: 9950516871

Email: ashokschauhan@yahoo.co.in

[in https://www.linkedin.com/in/ashok-chauhan-8764071b](https://www.linkedin.com/in/ashok-chauhan-8764071b)

Highly motivated and result-driven leader with 22 years of immaculate military carrier who has proven ability of Leadership, Strategic Planning, Operation Handling, Human Resource Management, Team Building, Risk Management and Disaster Relief. A dependable professional possessing excellent communication, interpersonal and problem solving skills which holds value in corporate setting. An accomplished Aviator having 2400+ hours of accident / incident free flying experience in extreme operational environment.

LEADERSHIP AND HUMAN RESOURCE MANAGEMENT

- Commanded a diverse team of 180 personnel, efficiently motivated and trained for optimum performance and consistent result delivery under high pressure working environment.
- Extensive experience of training, operational preparedness, performance evaluation and welfare of over 800+ soldiers.

STRATEGIC PLANNING AND EXECUTION

- Ensured infrastructure development and asset serviceability of worth 600cr which maintained healthy supply chain and equipment availability, enhancing operational readiness.
- Involved in conduct of international joint exercises, planning and training of foreign troops in airborne and ground operations which helped in building strong strategic relations with friendly Nations.
- Operationalised Helicopter landing grounds in remote areas of High Altitude for ensuring 24x7 operations, which enhanced the logistic buildup and troops induction capability on short notice.

OPERATIONS AND SUPPLY CHAIN MANAGEMENT

- Spearheaded variety of complex operations developing and implementing strategies that would achieve objectives while mitigating risk to 1000+ personnel and equipment of worth 600CR+ in extreme working environment.
- Planned and executed 110+ independent life saving and logistic support missions as helicopter pilot during difficult COVID-19 times ensuring continuous flow of supplies for 50K + Soldiers deployed in High Altitude Areas of Ladakh and Siachen Glacier.

RISK HANDLING AND CRISIS MANAGEMENT

- Executed numerous missions in Insurgency prone areas of North Eastern Region and Kashmir Valley in support of local population showing effective communication, quick decision making and fine coordination with Government stakeholders.
- Involved in disaster relief mission like earthquake and flood relief and worked closely with civil authorities ensuring optimization of operation.

EDUCATION

- PG Diploma , HR (NMIMS, Mumbai)
- BA Honours, Geography (Rajasthan University, Rajasthan)
- Junior Defense Management Course, Defense Management (Devi Ahilya University, Indore)

CERTIFICATIONS

- Global Supply Chain and Logistic Management
- Lean Six Sigma Green Belt
- Commercial Pilot Licence (Helicopter)
- Combat Helicopter Pilot Course
- Flight Radio Telephone Operator's Licence

ACHIEVEMENTS

- Commercial Pilot Licence Holder
- Operated in Highest Battle Field of the world (Siachen Glacier)
- Flight Safety award for achieving 1500 hours of Accident / Incident free flying
- National level sports person

KEY SKILLS

- Leadership
- Strategic Planning and Execution
- Policy formulation and Implementation
- Logistic Planning and Supply Chain Management
- Human Resource Management and Administration
- Crisis Management and Risk Handling

BRIJENDRA RAWAT

Age: 49 Years | Experience: 26 Years

Mobile: 8810452167

Email: brij.rawat@gmail.com

[in www.linkedin.com/in/brijendra-singh-rawat-5749ba272](https://www.linkedin.com/in/brijendra-singh-rawat-5749ba272)

26 years of work experience in various leadership roles in Project Management, System Design and Architecture of complex federated Cyber Systems. Good functional understanding of Requirement Analysis, Design Elaboration, Formulation of Project Implementation Plans, Execution, Validation, Acceptance and Lifecycle support. Experience in carrying out Simulation studies, Algorithm design, Validation and Testing. Conducted and led various live projects applying advanced Machine Learning, Data Analytics, and Visualisation techniques to drive data-driven insights and solutions. Proficient in Python, C++, RTC, SVN, MATLAB and DDS middleware technology.

DESIGN & DEVELOPMENT

- Led design, development and implementation of Combat Management Systems, leveraging expertise in Product Line Systems Engineering approach to deliver mission-critical solutions for the Indian Navy.
- Led initiatives in formulation of Machine Learning algorithms for developing advanced decision support tools, to enhance situational awareness, improve threat evaluation and planning tools to optimise mission outcomes.
- Led the design and implementation of innovative Human System Integration solutions, utilizing rapid prototyping techniques to optimize ergonomics, performance, and elevate the overall user experience.
- Steered development of Real Time complex and federated systems development with layered architecture, utilizing DDS middle ware standard for data centric publish-subscribe communication model.
- Designed and developed state-of-the-art combat system simulator for submarines, to provide realistic training environments for operators and improve the effectiveness of Command team in achieving of mission objectives.
- Experienced in setting up development and cross functional teams for agile methodologies and promoted adoption of DevOps culture for project development.
- Proficient in data analysis, adept at employing cutting-edge techniques and tools to extract actionable insights, empowering informed decision-making processes.

PROJECT MANAGEMENT & LEADERSHIP ROLES

- Skilled in contract formulation and negotiations, Technical management experience of more than 10 years in spearheading maintenance & repairs, standards & policy formulation for induction, lifecycle management including modernization, and disposal strategies for electrical & weapon systems.
- Staff analysis and implementation of mitigation measures for effective deployment of technical resources and erection of repair facility for critical electrical equipment onboard ships and submarines.
- Directed operations, maintenance, and repair of complex electrical systems, ensuring maximum readiness and availability of critical equipment in high-pressure environments.
- Concluded approximately 50+ repair contracts, Annual Maintenance Contracts (AMC) and Rate Contracts (RC) worth \$15 M through Indian and foreign shipyards & OEMs
- Steered indigenous development activity and induction of critical Navigation Aids for both ships and submarines through DRDO, DPSUs and MSMEs

EDUCATION

- Bachelor of Technology, Electrical Engineering (Jawaharlal Nehru University, New Delhi) 1992 -1996
- Master of Engineering, Electronics and Telecommunications (Pune University, Pune) 2003 -2005
- PGDM, Technical Management (Jamnalal Institute of Management Studies, Mumbai) 2009 -2009
- PG, AI/ML (University of Texas, Austin)
- Master of Data Science(Global), AI/ML (Deakin University, Online Mode-Pursuing)

CERTIFICATIONS

- Global Supply Chain and Logistics Management, IIFT, New Delhi
- Advanced Short Course on Passive Underwater Surveillance, CAIR, IIT Delhi

ACHIEVEMENTS

- Flag Officer C-in-C Commendation-Devotion to Duty
- Chief of Naval Staff Commendation-Bravery
- DG Coast Guard Commendation-Bravery
- Sir JC Bose Award - 1st in Order of Merit-ME
- CNS Trophy - First in ANWSEC 22
- Sword of Damascus- Best Cadet NEC-8

KEY SKILLS

- System Design and Architecture
- Project Management
- Strategic Planning
- Contract Formulation and Negotiations
- Technical Management
- Leadership Roles
- Team Management
- AI/ML Enthusiast

DEEPAK CHATURVEDI

Age: 35 Years | Experience: 14 Years

Mobile: 8368217962

Email: deechaturvedi88@gmail.com

[in linkedin.com/in/deepak-chaturvedi-253330189](https://www.linkedin.com/in/deepak-chaturvedi-253330189)

Versatile, Accomplished & Goal-oriented Indian Navy Officer with 14 years of Cross-domain experience in Leadership & Executive roles in Project Management, Procurement & Contracts, Technology Consulting, Supply Chain Management, Operations, Quality Assurance, Risk Management, Resource Management, seeking suitable avenues to work in corporate roles requiring Commitment, Leadership, Professional Acumen & Communication skills.

PROJECT MANAGEMENT

- Lead the design team for a high value strategic project of submarine construction for Indian Navy to implement power distribution network.
- Planning and Steering the project activities, communication and negotiations with stakeholders, project documentation, cross-team collaborations., managing change control with varying levels of complexity and mitigating potential risks.
- Lead 02 projects for IT infrastructure implementation (integrated Ship Design System) and Ship's LAN. Planning, procurement and installation of 06 servers, 25 network switches, LAN with about 350 nodes, network printers, workstations, data center, Power Back up (with about 300 batteries, Centralized UPS) and Conference room VC system as IT officer of the unit.
- Lead other projects including installation of 350 node EPBX based telephone network. Naval Communication Network, CCTV monitoring system and sonar system installation on warships.
- Corporate exposure in telecom sector with Alcatel Lucent Ltd as BSS engineer in a Project for implementation of 3G network for BSNL in Gujarat.

TENDERING & CONTRACTS, LOGISTICS

- Served as Manager in Budget Control and Tendering department in Naval Dockyard Visakhapatnam with average annual budget allocation of about 300 Cr under revenue, capital & RTC heads.
- Undertaken Procurement planning, Budget planning, Tendering and Documentation, Price negotiations, Vendor management, Contracts and associated functions as per DPM and DPP procedures of govt.
- Served as technical officer onboard warships. Managed the logistics for machinery & spares during ship refit, repairs & maintenance of machinery/systems.

TECHNOLOGY CONSULTING, ADMINISTRATION

- Served as technical officer in Indian Navy and designed a power network for submarine rescue bell. Provided technology consulting for naval systems such as communication systems, satellite systems, SONAR, Power Generation Systems, Distribution Networks, Battery capacity calculations, Cable design during my tenures in Navy Design Bureau and warships.
- Served onboard Indian Warships and provided Leadership & Motivation to naval sailors in times of crises and highly demanding operational marine environment. HR Management of sailors to meet the operational requirements for missions.

QUALITY ASSURANCE

- Served as Unit Head Quality Assurance (Navy) and undertaken QA certification for processes, products, systems and materials being procured by Navy from PSUs as well as private firms such as Combat Management Systems by BEL (Gaziabad), BEL Panchkula, Cables from Quadrant Ltd Mohali, Sun cables Alwar, Naval lighting systems by Ray enterprises, Radar systems by NISL(Tata subsidiary). Undertaken inspection and processing of green channel certification (GCC) for private firms.

EDUCATION

- Certificate course , Global Supply Chain and Logistics Management (Indian Institute of Foreign Trade, New Delhi) 2023
- M.B.A.(Executive) , General Management (FMS, Delhi University, FMS, Delhi University) 2019 -2021
- M.Sc., Electronics and Telecommunication (Cochin University (CUSAT), Kochi) 2010 -2012
- B.E with Honors, Electronics and Communication (University of Rajasthan, Jaipur) 2005 -2009

CERTIFICATIONS

- Defence Financial Management Certification
- Naval Weapon & Missile Technology Certificate
- Electrical Specialisation Course for handling complex Power, Controls & Communication systems of Navy
- Certificate of Competency to independently handle systems onboard Indian Navy warships
- Certificate of Proficiency to handle Small Arms
- Indian Navy Officer's Orientation Course
- Certificate by Center for e-Governance, Govt. of Rajasthan for Course on Core Java
- Certificate course on Robotics
- NCC 'B' certificate

ACHIEVEMENTS

[in https://www.linkedin.com/in/harmanpreet-singh-071a6826b](https://www.linkedin.com/in/harmanpreet-singh-071a6826b)

A focused, fervent and target-oriented Naval technical officer with a decade of diverse experience in Project management, Supply Chain and Operations management. Proficient in making critical decisions under pressure and achieving desirable outcomes. Brings a structured and flexible approach to navigate dynamic situations, making a valuable addition to any team.

HEAD OF ENGINEERING DEPARTMENT, NAVAL AIR FIGHTER SQUADRON, GOA

- As the Head of Air technical organization, I implemented quality-driven maintenance strategies that resulted in a 20% increase in asset availability and reduction in downtime of aircraft.
- Established and enforced SOPs to ensure operational safety for both personnel and materials, leading to over 1500 accident-free hours of flying operations.
- Led the implementation of a comprehensive Training and Development program for 250+ personnel. Established continuous education practices to ensure that the team is equipped with latest skills and knowledge, improving overall job performance and productivity.
- Effectively analysed usage trends and collaborating with supply chain agencies, successfully maintained an in-house inventory of over 1500+ items while reducing turn-around time by approximately 8%.

MANAGER PRODUCTION, NAVAL AIRCRAFT MAINTENANCE AND SUPPORT FACILITY, GOA

- Commissioned first Naval fighter aircraft maintenance support facility and managed the project from initiation to completion overseeing all aspects of project planning and execution. Boosted asset availability while improving operational efficiency by 40%.
- Collaborated with Russian delegates, established a strong liaison and effectively managed multiple warranty disputes, resulting in savings of \$22 million dollars.
- Employed critical thinking and data analytics to analyze multiple aircraft failures, effectively pinpointing the underlying causes resulting in increased asset availability and extended operational range beyond 250 NM.
- Spearheaded the maiden life extension program for fighter aircraft engines, resulted in cost savings of upto \$2 million dollars. This involved developing new SOP's for maintenance, testing and analysis of engines resulted in optimal performance and asset availability.

MANAGER TECHNICAL OPERATIONS, NAVAL AIR FIGHTER SQUADRON, GOA

- Prioritized aircraft maintenance tasks to maximize operational availability, resulting in a 15% reduction in downtime.
- Organized team-building activities and knowledge-sharing sessions to promote collaboration and efficiency, resulting in a 10% increase in productivity and a 5% increase in employee satisfaction.
- Oversaw a team of 100+ technically skilled executives, managing all aspects of their work, including work allocation, performance appraisal, training, and grievance management.

EDUCATION

- M.Tech, Aeronautical Engineering (Cochin University of Science and Technology, Kochi, Kerala) 2015 -2017
- Bachelor of Engineering, Aeronautical Engineering (Manipal Institute of Technology, Udupi, Karnataka) 2009 -2013
- Executive Course, Global Supply Chain and Logistics Management (Indian Institute of Foreign Trade, New Delhi)

CERTIFICATIONS

- Certified Scrum Master
- Agile with Atlassian JIRA
- Lean Six Sigma Green Belt
- Human Factors Analysis and Classification System

ACHIEVEMENTS

- Proficient Certificate by Commanding Officer Naval Air squadron, Goa
- Aviation Spl. badge
- Nine years long service Medal
- 75 yrs. of Independence medal

Email: vineet1501@gmail.com

[in www.linkedin.com/in/vineetjaiswal1501](https://www.linkedin.com/in/vineetjaiswal1501)

My profile showcases a 23-year career in the Indian Army, during which I undertook challenging roles on the Indian borders, UN peacekeeping missions, and counter-insurgency operations while also serving in the prestigious Rashtrapati Bhawan and the Integrated Headquarters of the Ministry of Defence. In my most recent position, I was tasked with implementing automation, sustainable digital practices, and network-centric operations in the Indian Army. I am now looking to transition into the corporate world, leveraging my leadership, project management, and technical skills to take on leadership roles in operations, supply chain, sustainable digital practices, technology, project management, and consultancy.

PROJECT CONSULTANCY & PROJECT MANAGEMENT

- A strategist & an implementer with expertise in managing multiple project delivery frameworks & new systems implementation for change management-related activities within the specified time & cost parameters. Showcasing excellence in managing end-to-end delivery/program/project planning & implementation from scope management to activity sequencing, effort and cost estimation, pre-sales activities, risk analysis to quality management in line with the guidelines and norms. A project planner with expertise in planning, executing and spearheading various projects involving contract administration, compliance & quality assurance.

OPERATIONS & SUPPLY CHAIN MANAGEMENT

- Provided consulting services and executed projects related to digitisation, automation, and sustainable digital practices aimed at the digital transformation of the Indian Army in a network-centric environment. Skilled in determining a business unit's mission & strategic direction, expertise to formulate and implement tactical initiatives, as well as strategic advice to partners for achieving organisational goals. Furthermore, planned, executed, and spearheaded various projects across the supply chain, warehousing, distribution and logistics operations achieved project milestones while ensuring that projects complied with cost & scope specifications. Extensive experience in spearheading the implementation of supply chain strategies, vendor identification, development, and analytical assessment with a key focus on aligning the resources for compliance of required production volumes with the best possible productivity norms

SECURITY & FACILITY MANAGEMENT

- Responsible for the security of large governmental and United Nations facilities and assets in difficult areas, covering all aspects of physical and information security.

BUSINESS DEVELOPMENT

- Equipped with the skill of functional management along with practical experience in the analysis, development & implementation of business plans & policies to ensure organisational growth.

EDUCATION

- BA, Defence & Strategic Studies (JNU, New Delhi) 1996 -1999
- MSc, Defence & Strategic Studies (University of Madras, Chennai) 2011 -2012
- PGDM, (Executive Management Programme), General Management (SP Jain Institute of Marketing & Research, Mumbai) 2022

CERTIFICATIONS

- Certificate in Global Supply Chain and Logistics Management
- Executive Education Programme in Digital Transformation
